TIN ITI	Subject: Stereo Chip Comparator/Motor Drive	- 405B
TINTL	Subject: Steres Chip Comparator/Motor Drive	
	Gentlemen:	
	Enclosed is our cost quotation for Stereo Chip Comparators in	
	quantities of two, three, four and five. This quotation is based upon furnishing Stereo Chip Comparators which include two (2) Interferometer	e de la companya de l
_	with power supplies, and precision microscope focusing mount per unit,	
TINTL	with government furnished readout equipment and a microscope installed	рy
IIINIL		
	The 405B units proposed are identical with the 405A development unit with the following exceptions:	enr.
	1) Change gear box drive at handwheels to a constant velocit	<b>y</b>
	motor drive.	
	2) Add thumb actuated directional control switches at each
